New Business –Appeal of Building Officials Decision to Not Consent to a License Reinstatement

Jessie T Farrington d/b/a Farrington Enterprises, Inc #RR0067731

Rhonda Royals gave some background on Mr. Farrington's license. He has held a license in SRC since 2003. The license expired on October 1st of 2005. The license was subsequently suspended due to nonpayment. The ordinance does allow the Building Official the authority to review documentation, from the contractor, showing proof of active contracting in order to allow reinstatement without retaking the test. Mr. Farrington did submit some information to the Building Official. In his review, the Building Official denied the reinstatement request. Mr. Farrington submitted a listing of permits, but Mr. Tolbert was concerned that we had many that lacked inspection records. He also received information that there were possible pending cases against Mr. Farrington in Escambia County.

Mr. Farrington addressed the Board. He said he is working to clear up his open/expired permits in Escambia County. He also said that he has proof that he is paying his (3) judgments. He said he is still in good standing with Escambia County, but hasn't pulled any permits within the last year.

A discussion amongst the Board and Mr. Farrington ensued.

Mr. Blackman made a motion to deny reinstatement. Mr. Harold seconded the motion. The motion passed with a unanimous vote.

Old Business – Probable Cause

Eileen Nohava vs. Michael Keith Ellis d/b/a All Metal Construction

Randy gave a case update stating that the code violations and the corrections on the roof have been completed. Randy believes Mr. Ellis has satisfied the complaint portion of this case. There is still a leak and the permit hasn't yet been finalized; more time is needed.

A discussion amongst the Board and Randy ensued.

Mr. Southerland made a motion to table the case until the next meeting. If all is handled by the next meeting, no additional meeting on this case would be required. Mr. Blackman seconded the motion. The motion passed with a unanimous vote.

Old Business – Probable Cause

Open Forum

A draft of possible fines, for penalties against the contractors, was presented to the Board members. Rhonda stated that our maximum fine that we can impose at the local level is \$5,000; we have \$10,000 listed on the draft.

A discussion amongst the Board and Rhonda ensued.

The following questions came up:

Where would the funds go?

Can the Board levy a fine against a State Certified contractor?

Mr. Blackman made a motion that the Board review fees and return to the next meeting for further discussion. Mr. Southerland seconded the motion. The motion passed with a unanimous vote.

Mr. Blackman made a motion to adjourn the meeting. Mr Southerland seconded the motion. The motion carried with a unanimous vote.
